Volunteer Site Navigation

Many areas throughout the Volunteer Site landscape have quick links to them found on what is called your ‘Navigation Tree’.

The Navigation Tree refers to the collection of links on along the left hand side of the page – you’ll want to keep this in mind as you make your way around:
On the top of the page, in addition to the ‘Change Password’ link, you’ll see a ‘Home’ link which will re-direct you to your homepage, and a ‘Signout’ link which will sign you out of your e-Climpact account:

Note the ‘Session time remaining’ counter alongside the links.

To keep your data safe, you will be automatically signed out of the Volunteer Site after 2hrs of inactivity.

This counter will display the time remaining until this automatic sign out will occur.

If you’re getting low on time, be sure to save your work to reset your session time remaining:
On the top right hand side of the page to the right of the session timer, you’ll see the ability to choose a small or large font size. Click on the little A or big A to change the font size respectively:

If there are any existing Resource Center Items, you’ll find a link to the Resource Center in your Navigation Tree:

Click the link to the Resource Center, and you’ll be brought to the area in which resource center items are housed.
Select the link w/FileName to access the file:

**Accessing Evaluations**

The Navigation Tree contains the link(s) to your evaluation(s). Click on the appropriate evaluation’s link to access it:

![Navigation Tree](Navigation Tree)

After doing so, each Agency/Program you have been assigned to review will display in a list along with the ‘Status’ bar at the top, which reflects your completion status thus far.

*Tip:* note the ability to search agencies/programs via the search field on the top right.

Click on the Agency/Program link(s) in the list, or the ‘Evaluate’ link to the right hand side of the record to access the completed forms as well as the evaluation form:
Upon clicking one of the links to view the evaluation, you’ll see the completed Agency/Program forms displayed, overlaid by the Evaluation Pane.

The Evaluation Pane contains the Evaluation Form you will be completing.

It may be conveniently expanded or collapsed as you complete the review process by clicking the ‘Evaluation’ tab found along the left hand side of the Evaluation Form.

Clicking this tab will expand and collapse the pane:
The ‘My Assigned Evaluations’ link (top left) will re-direct you back to the page which lists the agencies and/or programs you are assigned to evaluate.

The ‘Jump To’ feature allows you to select one of the agency/program’s forms and quickly ‘jump to’ that particular form to view the data for review.
Also, the arrows found on the top right hand side of the page will take you quickly from one Agency/Program to the next:

If you should have any Agencies/Programs which have not been assigned to you to evaluate, yet are available to you to view, you’ll see an ‘Available For Review’ tab:

Accessing this tab will reveal a ‘View’ link much like the ‘Evaluate’ link on the previous ‘My Assigned Evaluations’ page.
The view link will display the forms available for review, without the Evaluation Form & Pane.

As you complete the evaluation process, the ‘Status’ display will update dynamically. Upon saving your work, the status will change to ‘In Progress’:

After you have clicked the ‘Save My Work and Mark as Completed’ link, the Status will change to ‘Ready to Submit’:

![Example Image](image-url)
Did you notice the color change of the evaluation pane border and status indicator with each different status?

The progress status is color coded, and this color convention is adhered to anywhere the status is displayed:
Accessing Supporting Documents

The Agency or Program you are evaluating may have been asked to upload supporting documents as attachments during the submission process.

To view any such supporting documents, click the link directly above and ‘behind’ the evaluation pane from within an evaluation. This link will refer to ‘Supporting Documents’, ‘Attachments’, ‘Uploads’, or otherwise appropriately named:

Clicking this link will open a new window where the uploaded file(s) will be listed:
Click on the attachment name or icon to view the attachment.

**Print & Save Options**

You may have noticed a few options to ‘Print’ during your journey of the Volunteer Site. One is via a ‘Print’ link displayed along with the Evaluate link on the ‘My Assigned Evaluations’ page:

Choosing this link will reveal a new page with a printable version of the Agency’s forms.

At the top left of this printable versions are icons which provide additional options: (from left to right) – Output to printer, download as PDF, and open in a new browser window:
After you’ve selected the ‘Evaluate’ link for an Agency/Program, you’ll see an additional icon/link to print their forms.

This icon/link is found directly above and ‘behind’ the evaluation pane and provides the option to ‘View Printable Version’:
Within an evaluation form, you’ll find some print and save icons at the top left corner of the evaluation pane:
From left to right, these options are ‘Save My Work’, ‘Save My Work and Return to My Assigned Evaluations’, ‘Save My Work and Mark as Completed’, ‘Return to My Assigned Evaluations’, and finally ‘View Printable Version of Evaluation Form’.

At the bottom of the evaluation form you’ll find additional links to ‘Save My Work’ and ‘Save My Work and Mark as Completed’ link.

Keep in mind the session timeout of 2hrs. If the evaluation form is taking a long time to complete, be sure to ‘Save My Work’ so the system will know you’re still working.

Atop the printable version of the evaluation form you’ll find some now familiar icons:
Education Evaluation - Victorious Volunteer Nearly Trained!
Evolving Hearts - Walking Wisdom

Q&A Forum

In some cases, there will be a Q&A (Question and Answer) forum available for use. This will allow you to pose a question to an Agency/Program as you are performing your review.

If this forum is available for the particular process you’re evaluating, you’ll see a ‘View/Ask Questions’ link on the top right hand side of the page behind the evaluation pane:
In addition to posing a question for the Agency/Program, this area may also be used to provide any feedback you wish to pass along if you are particularly impressed with an element of their submission, or perhaps would like to provide some constructive criticism.

After clicking the ‘Questions and Answers’ link, a new window will open containing an area to enter your subject and the content of your question or feedback. Enter your question and/or feedback and ‘Save My Work’: 
Thereafter, you’ll receive confirmation you have submitted your question:

![Ask New Question](example.png)

Your e-Climpact administrator needs to approve a question for display to the agency. Your administrator will receive a notification when a new question is submitted.

Once the question has been approved, the Question and/or Answer will be available via the ‘Questions and Answers’ link, and also be accessible via a ‘Questions and Answers’ tab on your ‘My Assigned Evaluations’ page.

There will also be a ‘Questions and Answers’ link in your Navigation Tree. Once a question has been answered, the answer will display to you via these areas as well.
Evaluation Submission

You’ve completed the evaluation process and are now ready to submit!

As you save and mark each evaluation as complete the status will reflect ‘Ready to Submit’:
Your e-Clmpact administrator may require each of your assigned agencies/programs to be Marked Completed and Ready to Submit before you submit your evaluation scores/remarks. If this is true, when all of your assigned Agencies/Programs are in a ‘Ready to Submit’ status, you will then have the ability to submit.

Alternatively, you may be able to submit them one at a time.

When submission becomes available, a ‘Big Red Submit Button’ will display along with the prompt for your email address for submission confirmation:
Tip: if your e-Clmpact administrator has your email address already in the system, it will automatically be populated in the email address field.

To submit, verify the email address is correct and/or enter a new one, and click the ‘Big Red Submit Button’:
And you’re all done! You’ll see confirmation after submission, and your evaluation submission status color will change to green:

Be sure to check for your email submission confirmation.
