Theresa's Story:

Throughout her life, Theresa Wilson struggled with alcohol addiction. She finally found hope when she joined a peer support group through NAMI (National Alliance for Mental Illness) Dubuque, a funded partner of United Way of Dubuque Area Tri-States. NAMI helped Theresa deal with the issues that led to her substance abuse disorder. NAMI staff soon recognized her leadership skills and encouraged her to join their team. Theresa is now a NAMI employee and leads a peer support group in the Dubuque County Jail.

I am proof that life can change when you get the help you need."
