

RAISE \$1000

The easy way!

1 A good meal is a good fundraiser

Contact local restaurants to see if they'll host a "Give Back Night"

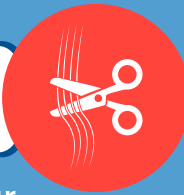

2 Organize an Old-School Fundraiser

There's a reason community groups hold garage sales, bake sales, and car washes to raise money. Simple can be effective!

3 A Little Off the Top

Next time you see your hair stylist, ask them to sponsor you. Or your dentist, or your dry cleaner. Those \$25 pledges add up quickly!

4 Fire Up Social Media

Post links to your Over the Edge Fundraising Page. Remind friends that every donation matters.

5 The Family & Friends Plan

Ask them to donate in honor of your birthday, anniversary, or willingness to hang from a rope outside of a giant building.

6 "Hey boss, can we talk?"

Ask your boss if your company will donate \$50 or \$100 to the cause. Or see if your company will match what you raise!
