

United Way: Road Map to Services

A FAMILY IN NEED

A family in our service area needs to find stable housing & basic need items. Who do they turn to?

THEY CALL FOR HELP

The family calls **2-1-1**, a 24/7 hotline that helps connect people in need to local resources.

HEALTH, EDUCATION & INCOME PILLARS

Each family member is connected to services that will help them individually.

ANDREW, AGE 7

The youngest child is connected to educational & leadership opportunities.

LAURA, AGE 17

The oldest child is connected to programs focused on post-secondary education & workforce.

DONNA, AGE 45

The mother learns how to better provide for her family, by working with financial stability programming.

JOEL, AGE 48

The father connects to counseling for his brain health & substance abuse issues.
