

STRONGER TOGETHER

Support Group for persons who have a loved one in prison, on parole, or probation

Navigating life with a loved one who is in prison, on parole, or probation is a challenge that is hard to face alone. Join the Stronger Together support group to connect with others facing a similar situation. Discuss options and resources to remove barriers for you and your loved-ones. Find refuge for your voice to be heard in a non-judgemental setting and listen to understand with your fellow group members.
